APPRENTICESHIP PROGRAMME APPLICATION FORM

Why should you choose Apprenticeship Programme?

Apprenticeship is a mode of acquiring skills mostly at work place in a structured environment with some few components covered in a typical classroom context. It's all about learning while doing. It gives students a fantastic experience of the industry. It's a hands-on training that gives students real chance to put their skills into practice and help them gain more confidence in a working environment. The target group is young people aging between 17 to 25 years.
